

Voice Sounds

Phonics Phase 1 Aspect 6

At the Park

Next time you visit the park have fun making sounds as you play. Can you make a noise for going down the slide ("weee") or climbing the steps?

What are Voice Sounds?

These are the sounds we can make with our voices through talk and play.

Play an animal-themed guessing game. Make some sound effects for different animal noises and encourage someone to guess what animal sound you were making. You could 'meow' like a cat, 'woof' like a dog or 'hissss' like a snake. What other animal sounds can you make?

Use your voice to create some sound effects. Can you make a sound like a ticking clock or a doorbell? Listen to sounds you hear around your home - can you make a sound just like them?

Teach a grown-up the song Old MacDonald Had a Farm. What animals will be in your song? What noises do the animals make?
